

APPLICATION FORM

Introduction

Fennoscandian Association for Metals and Minerals Professionals (FAMMP) is a non-profit association for individuals working in the mining sector and having the professional qualification and work experience to be able to function as Competent Persons (Qualified Persons is used synonymously) for public reporting of exploration results, mineral resources and mineral reserves in accordance with the internationally recognized PERC (Pan European Reserves and Resources Reporting Committee) reporting standard, or another similarly CRIRSCO (Committee for Mineral Reserves International Reporting Standards) based reporting standard.

A member of FAMMP shall:

- belong to one of the following professional categories: geologist, geo scientist or mining engineer, or else possess another similar education or experience relevant to the assessments made by Competent Persons.
- have at least five years of cumulative relevant experience in professional categories mentioned above

Personal data treatment

By submitting the application form, you agree that FAMMP, with the administrative support by Svemin, process the personal data included in the application form and the accompanying documents.

Here you can read more about how we treat your personal data and what rights the registrant has:
